MEMORANDUM FOR: Director of Medical Services
Director of Personnel

John and Bob:

I'm afraid I've lost my place somewhat on the status of actions to implement the decision to split PATB into Phase I and Phase II. Could you please bring me up to date on where we stand with respect to the various actions, including the printing of both parts of the test; the distribution of Phase I to the recruiters and their discussions with school officials; the acquisition of space where off-campus sites are to be used; the distribution and the initiation date for the revised system.
